

Revisions to the visiting procedures at Montana State Prison took effect Wednesday, June 6. Inmates were notified of the changes earlier. The revised procedures can be found on the Department of Corrections website at <http://www.cor.mt.gov/Facts/visitingInformation/msp.mcpX>. Also available on the website are downloadable copies of the visitor questionnaire and the dress code for visitors.

The changes involve:

- posting of visiting rules and regulation
- availability of visitor questionnaires
- visiting by current and former Department of Corrections employees
- notification of visitor applicants
- applicants ability to appeal a decision
- attorneys listed on as an inmate's regular visitor
- accommodation of visitors with medical issues
- visiting hours for adults and children
- items visitors are allowed to have with them
- the process for terminating, suspending and revoking visiting privileges
